

California Arts Day

Ideas for California Counties

...From the Simple to the Sublime...

- Resolutions. Endorse a County Board of Supervisors resolution recognizing the value of the arts and supporting California Arts Day throughout your county, as it is celebrated throughout the state. A sample resolution is available at <http://www.cac.ca.gov/?id=262>
- Editorials. Write an editorial on the value of the arts for your county's newspapers and endorse it as a Board of Supervisors.
- Board of Supervisors Meetings. Invite a local children's choir or to sing a song after the pledge of allegiance at the opening of a Board of Supervisors meeting in early October.
- Recognition. Have the Board of Supervisors or a local official make a presentation recognizing someone in your county who is a strong supporter of the arts.
- Events. Encourage your County Arts Council and local arts groups to label their arts events that take place on or around October 7 as "Arts Day" events, and to check the California Arts Council's website for more ideas.
- Information. Distribute information about the value of the arts to your community and its residents – flyers, website information, etc. Use the Arts Day logos.
